00100010066-0

Executive Officer, Office of the Chief. HTA

ATA-MSB8-57

Chief, HTA/MSB

function of the Military-Scientific Branch and Delineation of Areas of Responsibility

- 1. The following information is submitted as requested in the staff meeting of 26 July, 1957.
- 2. Briefly the functions of the Military-Scientific Branch may be stated as follows:
 - 1. Nuclear Energy
 - 2. Guided Missiles
 - 3. Aircraft and Airlields
 - 4. Electronics
 - 5. Military Installations and Equipment
 - 6. Military Scientific Research and Development
- 3. A more detailed breakdown of the assigned functions and a delimention of areas of responsibility will be found on the following pages.
- 4. The delineation of areas of responsibility is meant to serve primarily as a means of expediting handling of routed documents, maintenance of Branch reserence files, and project assignment. It may also prove to be a logical organizational break-down of the Branch into Sections and Units.
